

HUSKY[®] Ice Makers

The Original Cool Ideas Co.

MAKE UP TO 500KG PER DAY!

Designed for high ambient locations tested in 32°C ambient – suitable for use even in commercial kitchens.

Constructed in stainless steel and polypropylene Industrial specification ensures long life even in the toughest conditions.

White interior storage silo for better hygiene: dirt is easy to spot!

Modern technology ensures highest possible efficiency in energy and water consumption.

Pressure injected foam insulation

Optimum storage/ production capacity – ice is always available when you need it.

Optical Sensor ensures the machine is only producing ice when it really needs to. And unlike conventional probe sensors, optical sensors can't freeze up.

In-line Water Filter Included!
